HER FATHER S DAUGHTER

Salmon Poetry, Ireland, 2014. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book. In Nessa O Mahony s third poetry collection, she examines the nature of those bonds through poems that combine the autobiographical with the historical. Nessa presents a parallel sequences of poems, one relating to her relationship with her own father, whose decline and death she charts with painful honesty, the second exploring the life of her grandfather, a more mysterious figure whose story slowly emerges through her mother s memories, and her own research. The result is a meditation on love and losing, and on what is retained through narrative and memory.
