Invisible Woman I to I: Invisibility to Invincibility A woman is not an object of study but a subject of realization. Invisible Woman is the heartbeat of Jays Legacy, a Not For Profit Organization I have established in my late wives honor. This book is about the Power of Woman. A woman, who is in possession of unique strengths and subtleties such as instinct, intuition, imagination, etc, should never be in a position to lose her sense of pride and value. Unfortunately, due to inner forces, including her capacity to place her loved ones before herself, as well as external societal forces and collective psychology, many times a woman is affronted with doubts regarding her purposefulness and contextuality in relation to her family. Based upon thousands of interactions with female patients, I have analyzed eight basic categories, based upon personality traits, which lend themselves to feelings of invisibility in women: The Merger - The Pleaser - The Defeated - The Doubter - The Masochist - The Martyr - The Exasperated - and The Lost. Each category contains pointed illustrations from patients who exemplified those behavioral characteristics. I take the reader through each of these categories and show how to recognize them, and more importantly, tackle the more pertinent question of what a woman should do if she suffers from the fear or feeling of being invisible. My intention is to help a woman to increase her sense of awareness and self realization, thus ultimately positioning herself as a vital force: a source of energy to mankind. This book also attempts to inspire men to recognize and appreciate the innate qualities of a woman, and in doing so, attain an emotional, intellectual and spiritual communion with a woman.
