Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Teachers Manual: To Accompany Huffcut s Elements of Business Law The text consists of four different elements: (1) statements of the law; (2) illustrative examples; (3) practical problems; (4) practical forms. The statements of the law and the illustrative examples should always go together as the basis of the daily work. Whether the problems should be reserved for review, or used pari passu with the text and examples, will depend upon the methods of each teacher. It will be easy to assign the problems with the daily work, because the section numbers in Review Questions and Problems correspond to the section numbers in the body of the text. The forms should be studied in connection with the text. The briefer forms, as negotiable instruments, should be reproduced by the student in class without the aid of his book. The longer forms, as deeds, etc., might be reproduced with stationers blanks, to be filled in from data given by the teacher. The citation of cases in the text has not been deemed useful because students cannot have access ordinarily to the reports.
