More than a typical end-times story, it is Christian science-fiction at its best. Here's what the critics are saying: *Writer's Digest*: The book is excellent. This author does a far better job with character development than the *Left Behind* series. *Library Bookwatch*: . . . Comes The End is tense, original, entertaining, and highly recommended. *Independent Publishers Review*: Just downright riveting. this one is hard to top! *Heartland Reviews*: Comes the End is an excellent representation of the beginning of the tribulations.
