This great work is published under the auspices of the National Dental Association by Lea Febiger, Philadelphia. It is a work of 350 pages, beautifully printed and illustrated with many fine engravings of appliances and early practitioners. We can most earnestly recommend this book to the profession as the best work on the history of dental art and practice from the earliest times to the nineteenth century. Dr. Guereni is well qualified to do the work and he has evidently spent much time and taken the greatest pains...
