Farrar, Straus and Giroux, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for When I Was a Child I Read Books : "Brilliant . . . As the credo of a liberal Christian, Robinson's new book of essays stands on its own. But it is also an illuminating commentary on her novels . . . This collection is a rewarding reminder that the author's faith infuses every word she writes . . . Like every good preacher, Marilynne Robinson judges others while including herself in theory at least in the judgment." Andrew Delbanco, New York Times Book Review "With her newest book of essays, When I Was a Child I Read Books , Marilynne Robinson affirms that my deep admiration and respect for her are well-placed. 'Every great question is very old,' she writes, and here, as has been the case throughout her career as a writer, the great questions concern her most. Robinson displays an exceptional gift for deciphering the zeitgeist and offering generous counsel . . . Not only is her book wise; it is full to the brim with clear, resonant, melodic prose. These essays do two things very well. First, they provide a clear, largely unflattering diagnosis of America . . . Second, her essays affirm the extraordinary meaningfulness of words . . . She wants to dig deeply into our minds, examine the history and biases that underlie our assumptions, and re-animate our consciousness . . . Every measured sentence in this book serves as a bracing antidote to the thoughtless bobble-headed chorus of consumerism, the bellicosity of atheistic scientism, and the monotonous, disorienting mantras of the economists. Robinson uses her extraordinary gifts as a thinker and writer to offer a close-up look at what our world is and...
