Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

It s our passport into this world as humans. The faith God had put his words into life form. I am so grateful to God for giving me life. It s up to you to make that dream you have a reality. Life is not promised, so breathe and love. Today is the day to live your life right. You never know when it is too late. To say what you should have done and said. Sometimes it is too late to make things right. The only love that s perfect is God s love. We as humans go through things in life. But in life we must remember. What gives us strength? God s purpose for our life. Love and prayer are the second and third strongest strengths. Then inspiration, so never give up. Lift your head up and pray. You ve got a chance to improve. Let the hope you do have. Be the light to your inspiration. Love is in the garden of your heart. Cause it s the seeds that have been planted. I know being patient is a lesson to grow. It s the blessing of the harvest of love. The poetry book is about love, life, inspiration and God.It is a different book you would ever read. We feel that there are different paths in life.So we are here to share and help others. Claudine Josephine Lewis.
