Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the Codification Committee: The National Association of Corporation Schools The digest which is presented herewith and the cross index which is made a part of it, are the result of the questionnaire sent out by the Codification Committee early in this fiscal year. The digest is based upon the folders which contain the details of the school work conducted by the members who answered the questionnaire. It is obviously impossible to print all these details as the different methods employed and the different arrangements of the courses would necessitate several volumes in order to work it out. However, the original digest, which is the earlier part of this report, has been arranged so as to refer back to the folders containing the original data, the folders being numbered in accordance with the industrial divisions upon which the whole scheme of indexing has been based. The object of the digest, the indexing and the cross-indexing has been to make it possible for members to look up general practice either in respect of the industry, in respect of a trade division, a school or a course, and it represents a compendium of the present practice without any comment on the efficiency or desirability of that practice. The folders in which the original material is placed are on hand at the office of the Executive Secretary of the Association and are available for Class A members on a loan of a limited time under a system similar to that adopted by a circulating library. A request to the office of the Executive Secretary for the folder on any industry, or the industry folders upon any subject...
