When I was born, I was blessed with the Sight, an ability to see into the future. I was immediately removed from my parents and enrolled in the Institution, where all Seers are raised and trained. At the age of twelve, I had my first true vision, earning the mark of the raven's wings tattooed by my eyes. And when I turned seventeen, one of my Visions came true. Things haven't been the same since. The Institution now depends on me to keep the City safe from our enemies, the Dreamcatchers, but I'm keeping a secret from everyone. It is a secret that could put us all in danger. A secret that could kill me and everyone close to me.
