Women in Israel

By -

Transaction Publishers. Paperback. Book Condition: New. Paperback. 480 pages. Dimensions: 8.9in. x 6.0in. x 1.3in. This series of the Israel Sociological Association, whose object is to identify and clarify the major themes that occupy social research in Israel today, gathers together the best of Israeli social science investigation that was previously scattered in a wide variety of international journals. Volume VI presents a composite portrait of women's lives in Israel, analyzing their status in the family, at work, in the military, and in political life. The editors start from the premise that Israel is simultaneously a modern industrial society and a traditional one with regard to the structure and centrality of family life. It is governed by both secular law based on the principle of equality between men and women, and religious law that imposes a different legal status between the sexes. Many of the contributors analyze the social contradictions of this paradox and how they shape women's options and experiences. This is the first compendium offering a comprehensive account of women in Israeli society. As such it should be of great interest to people in women's studies, sociology, and Middle Eastern affairs. Contents (partial): Economic Growth and Female Labour: The...

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.
